W. S. Wilkinson, Notary Public, Baltimore, Md.

who being by me duly and solemnly *sworn* _____ did depose and say that he is a *naturalized* _____ Citizen of the United States of America, being born in

Switzerland and that he is the identical person described in the certificate of naturalization presented herewith, the being therein called Andrew Kessler instead of Andrew Kessler, which is an error in the record from which this copy is taken, as well as is the mention of his having been allegiance to the King of Prussia. These errors he is only able to establish by his affidavit, as his original certificate of naturalization wherein his name is correctly spelled and his native country stated to be Switzerland, was now in Cuba, to which country he ever desired to return and therefore makes application for a passport. Several passports have been granted to him, the last one in July, 1869.
